

Dear WC members,
The Birthright Shower will be held at our April 4th monthly meeting. Terri Triana and Mary Lou England have given us their requests below. You can choose to purchase items individually or work with others to fulfill the needs for a complete Layette. Birthright uses 0 to 3 month and 3 to 6 month clothing in their layettes, but they do provide clothes to their clients up to size 2. If you prefer buying the larger clothes, that is also appreciated although they would not be for the layettes. Since it will be April, they will really need light weight clothes.

Below is the sample Layette for summer.

We have always had a wonderful outpouring of support for Birthright and we know our members will continue that tradition this year. If you have any questions, feel free to contact a committee member.

God Bless,
